Students Contribute to New Book Release

OHS students **BRYAN JONES** and **JENNA BERTAPELLE** are making their mark in the publishing world as illustrator and photographer of the book recently released

by Xlibris, *The Chore Solution: Making Families Better by Working Together*. Bryan created all of the book's illustrations, while Jenna took the photograph on the book's cover. Students **ANDREW JONES** (Lakeville Elementary) and **GAVIN COWAN** (Daniel Axford Elementary) are also mentioned throughout the book and have a featured photo (below right). The authors, Jason and Ann Cowan, are the boys' parents. They write books from their personal experiences about families for families. Jason has a Master's Degree in Business and Ann has an education/business background. Jason and Ann are both from the Midwest. Jason is from West Bend, Wisconsin. Ann is from Tuscola, Illinois. They now live in Metamora, Michigan with their four boys.
